

Puli News

Puli News is published four times a year by the Puli Club of America. Several times per year, we also publish a brief online newsletter called **Puli Post**. Members receive these as part of their membership benefits, but we are happy to provide subscriptions to non-members.

To subscribers, we offer **Online Puli News**, which contains color photos. Each issue is archived on the PCA website for access as long as you are a subscriber. Online issues may be searched for words or phrases.

The price for Online Puli News is US \$40 and includes online access to Puli Post.

You can purchase your subscription online at www.puliclub.org/wp/pnsubscribe.

Or you can mail this form with a check for \$40 in US funds payable to Puli Club of America.
